HAKKIMIZDA

ABOUT US

1997'de Ankara'da Haluk İDER tarafından, 180 m²lik bir imalat atölyesi olarak kurulan Atia, 2014 yılında; içerisinde ahşap atölyesi, cila atölyesi, proje ofisi ve CNC işlem merkezi barındıran 2500 m²lik bir alana sahip olmuştur. 2019 yılında ise bulunduğu konumu bozmadan Ankara Hasanoğlu'da 8 dönüm üzerine kurulu 2800 m²lik fabrika ile toplamda 5300 m²lik alanda faaliyetlerini sürdürmektedir. Geride kalan 40 yıla yakın zamanda, müşteriler ile kurulan ikili iletişimin ve samimiyetin gerektirdiği sorumluluğu layığıyla üstlenmiş ve günümüze kadar taşımıştır. İkinci kuşağın da yönetime katılması ile vizyonunu geliştiren Atia, 2020 yılı ile birlikte banyo dünyasına adımını atmıştır. Banyolarda rafine zevklere hitap eden Atia Banyo ürünleri, lüks ve zamansız tarzı ile geçmişte olduğu gibi kalite arayanların tercihi olmaya devam edecektir.

ESTETİK & TECRÜBE

AESTHETIC & EXPERIENCE

Üretimde detay her şeydir; detayda ise oran... Yarattığımız mekanların temelinde işte bu oran arayışı yatmaktadır. Modern ya da klasik; minimalist veya maksimalist olsun, tüm projelerimizde olduğu gibi, banyo koleksiyonumuzda da aynı düstur ile yola çıktık. Atia Ahşap, lüks segment projelerin içmimari uygulamalarında ulaştığı kalite ve detay ustalığı sebebiyle, alanında aranılan firmalardan biri olmuştur. Atia'yı rakipsiz kılan bu mükemmellik arayışını koleksiyonumuzda, banyo dolaplarından ayna ve aydınlatmalara kadar tüm ürünlerimizde hissedeceksiniz.

In production, detail is everything; in detail, the ratio is everything... This is the search for this ratio at the basis of the spaces we create. Modern or classic; Whether it's minimalist or maximalist, we set off with the same motto in our bathroom collection as in all our projects. Atia has become one of the sought-after companies in the field due to the quality and detail mastery it has achieved in the interior architecture applications of luxury segment projects. You will feel this pursuit of perfection, which makes Atia unrivaled, in all of our products, from bathroom cabinets to mirror and lighting elements.

ÜRETİM

PRODUCTION

Atia, yaşam alanlarını yeniden tanımlarken; kullanılan malzemelerin uluslararası standartlara uygun, geri dönüştürülebilir ve çevre dostu olmasına dikkat etmektedir. Bu hassasiyeti hem doğaya hem de geleceğe yatırım amacıyla diktiği fidanlarla sürdürürken, sosyal sorumluluğunu da yerine getirmektedir. Bunun yanı sıra Atia insanların en belirgin özelliği detaylardaki tecrübe ve oran - orantıdaki ararlılığıdır.

When Atia redefines living spaces, it pays attention that the materials it uses are compatible with international standards, are recyclable and eco-friendly. By continuing this sensitivity awareness with the seedlings the company has planted as an investment in both nature and the future, Atia also fulfils its social responsibilities. At the same time, the most significant characteristic of Atia people is their experience in details and their determination in proportion.
